

# Join the Adventure <sup>with</sup> King Middle School

## 2009

March 17, 2009

Dear Friends of King Middle School,

The students, staff and parents of King Middle School are deeply grateful for your past contributions to our school. April 30, 2009 will mark our 3rd annual auction. This year's auction theme is "Join the Adventure" celebrating King's educational model of learning through expeditions. This is our largest fundraising and volunteer event of the year, and we need your help. Will you consider a donation of services, merchandise, gift certificates, talent or funds? We welcome any contribution, large or small.

King Middle School has a student population of 530. We are the most diverse middle school in Maine, and significantly, the school scores in the top 25% of middle schools state-wide. Clearly, the expeditionary learning model is working. Last year, nearly 100 generous donors like you helped raise funds that go directly toward educational and classroom programs for the children. As you know, strong public schools are essential to the well being of our community, and your donations help maintain the strength of this program. The King community values its donors, and we urge our parents and auction attendees to patronize them. We hope to count you among our contributors.

A member of the King community will be in touch with you over the next few weeks. If you wish to make a donation without waiting for their call, please use the form included. If you have any questions, please feel free to contact Sue Carlson 874-8140 or Jonathan Nolan 450-1897.

Thank you for joining the adventure,
